Languages: JavaScript, TypeScript, EJS, Stripe.js, HTML, CSS, NoSQL
Frontend: React, Redux, Next.js, Tailwind CSS, Bootstrap, NextUI, DaisyUI, Ant Design
Backend: Node.js, Express.js, RESTful APIs, JWT Authentication
Tools: Git, GitHub, Postman, Visual Studio Code, Figma, Vercel, Netlify
Databases: MongoDB, Firebase, NextAuth
Others: GraphQL, Linux, Windows, Agile Methodology

Experience

Desh Universal Pvt. Limited

Remote

Self-employed

Jan. 2025 – Present

- Designed and developed responsive websites for clients using **Angular, React, Tailwind CSS, Bootstrap, TypeScript** and **Node.js**.
- Integrated payment gateways like **Stripe** and implemented authentication using **JWT** to enhance security.
- Optimized web applications to improve performance, reducing load times by **40%**.

Projects

Recipe-Sharing Platform | Sep. 2024

[Live Link](#) | [Frontend Repo](#) | [Backend Repo](#)

- Created a social platform for sharing recipes utilizing **Next.js, NextUI, and Express.js**, achieving **over 150 active users** within the initial month.
- Enabled user profiles for managing favorite recipes, resulting in an **80% boost** in user engagement through real-time interactions and CRUD functionalities with **MongoDB**.
- Integrated **Cloudinary** for image uploads, enhancing load times by **30%**, and improved user experience through **React Hooks** and **Redux** for state management.

Sports Facility Booking System | Oct. 2024

[Live Link](#) | [Frontend Repo](#) | [Backend Repo](#)

- Developed a comprehensive booking system for sports facilities using **React, Redux, TypeScript, Node.js, Express.js**, and **MongoDB**, realizing a **95% success rate** for bookings.
- Executed availability checking and booking functionalities, streamlining the scheduling process for users by **40%**.
- Integrated **Stripe** for payment processing, leading to a **20% increase** in transactions completed.
- Designed custom validation mechanisms to prevent booking conflicts, which decreased user complaints by **50%**; added **JWT** and **NextAuth** for enhanced security.
- Implemented responsive design with **Tailwind CSS** and established email notifications through **Nodemailer**, enhancing communication efficiency by **30%**.

E-Commerce Platform | Aug. 2024

[Live Link](#) | [Frontend Repo](#) | [Backend Repo](#)

- Engineered a full-stack e-commerce application leveraging **TypeScript, React, Redux, Node.js, Express.js**, and **MongoDB** contributed to a **25% growth** in sales during the first month after launch.
- Employed the **Stripe API** for secure payment processing, achieving a **99% success rate** for transactions, and effectively managed orders with a dynamic shopping cart featuring real-time price updates.
- Elevated user experience through responsive design implemented with **Tailwind CSS**, and deployed on **Netlify** and **Heroku**, resulting in **50% faster load times**.

Education

Govt. Syed Hatem Ali College

1st Year – Ongoing

Bachelor of Social Work (BSW)

Mahilara Degree College

2020 – 2022

Higher Secondary Certificate (HSC)

Soft Skills

Communication: Excellent verbal and written communication skills

Teamwork: Ability to collaborate with cross-functional teams to deliver projects

Problem-solving: Skilled in analyzing problems and finding effective solutions

Adaptability: Flexible and quick to adapt to new technologies and environments

Time Management: Proficient in prioritizing tasks and managing time efficiently

Leadership: Experience in leading small teams and taking ownership of tasks
